

KDJ

KD JOHNSON INC.

Arkansas | Colorado | Iowa | Illinois | Kansas | Louisiana | Missouri | Nebraska | Texas | Oklahoma

www.betaengineering.com
EPC Services For Gas Insulated Substations (GIS Projects), Switchyards, Substations, FACTS and High Voltage Transmission Lines.
* CO, IA, KS, MO, NE, OK, TX

www.myerspower.com
LV and MV (480V to 38kV) Metal Clad and Metal Enclosed Switchgear, FVR 15-38kV Outdoor Substation Breaker, MCC's, Power Distribution Centers.
* CO, KS, MO, NE, OK, TX

www.coilinnovation.com
Air-Core Dry-Type Reactors.
* IA, KS, MO, NE, OK, TX

www.nucor.com/towers
Electric Transmission & Distribution Steel Towers and Poles. Substation Steel Structures; A-Frames, Dead Ends, Bus Supports, Equipment Stands and Structures.
* AR, CO, IA, KS, LA, MO, NE, OK, TX

www.edmlink.com
"PhaseTrakker" Electrical Phase Identification Tool and CartoPac Mapping Database Software.
* CO, KS, MO, OK, TX

www.omicronenergy.com
Test Sets For Relays, Meters, Breakers, Transformers and Other Substation Equipment.
* CO, KS, MO, OK, TX

www.elginpowersolutions.com
Mobile Substations, Unitized/Skid Substations, Metal Enclosed Cap Banks, Harmonic Filter Banks, Meter Cabinets.
* CO, KS, MO, OK, TX

www.ppcinsulators.com
Porcelain Distribution and Substation Insulators Up To 1200kV AC and 800kV DC.
* KS, IA, IL, MO, NE, OK

www.ff-ai.com
Automated Line Patrol-Simplifies line patrol documentation/inspection single operator up to 30K poles per week.
* CO, MO, KS, OK, TX

www.selinc.com
SEL Designs, Manufactures, Supplies, and Supports Products and Services for Power System Protection, Monitoring, Control, Automation, and Metering.
* CO, KS, MO, OK, TX

www.gwelectric.com
Reclosers up to 72.5 kV, Solid Dielectric Switchgear up to 27kV, Gas Insulated Switchgear up to 38kV, and Current Limiting System Protection.
* Northeast TX, OK, AEP West

www.sediver.com
Toughened Glass Insulators for HVAC, HVDC, Corrosive Environments, Distribution and Railway Applications.
* KS, IA, Southern IL, MO, NE

www.hicoamerica.com
Power Transformers Up To 765KV, GIS Up To 800KV, Reactors Up to 765KV, Statcom and Energy Storage Systems.
* KS, MO

www.technibus.com
Non-segregated and Isophase Bus from 600V-35kV AC and DC.
* KS, IA, MO, NE

louiselappinsulator.com
Substation, and Transmission Insulators Up To 1100kV AC, Contamination Solutions, and made in America options
* KS, IA, IL, MO, NE, OK

www.vfpinc.com
Concrete and Steel Equipment Shelters and Modular Structures.
* KS, MO, OK, TX

www.vitalfuelsystems.com
Specializes in generator and boiler fuel oil systems including Substation Emergency Oil Containment Systems with ZERO O&M.
* AR, CO, IA, KS, LA, MO, NE, OK, TX

SEL Generation

Generator protection products and systems provide complete primary and backup protection for all types of generators suited for use in utility, industrial, and commercial-scale systems.

SEL Industrial

Complete protection, control, and automation solutions for low-and medium-voltage applications.

SEL Transmission

Complete transmission protection and fault location solutions for primary and backup applications.

SEL Panel and Enclosures

Pre-engineered or custom panels and enclosures help keep costs low and increase system reliability when used for retrofit upgrades and new equipment installations.

SEL Distribution

Improve distribution system reliability and efficiency with intelligent protection, automation, monitoring, fault indicators, sensors, and control devices.

SEL Communications

OT networking WAN/LAN solutions provide communications with the performance, cybersecurity, and ruggedness required for demanding operational applications.

SEL Automation

Automation uses digital sensors and switches with advanced control and communications technologies to automate switching; voltage and equipment health monitoring; and outage, voltage, and reactive power management.

SEL Security

Security solutions add layered cybersecurity to multiple elements of communications networks. From expert personnel to reliable devices, these solutions help ensure a secure system.

SEL Engineering Services

Consulting Engineering Services provides turnkey programs, solutions, and services that help our customers protect and control critical electrical infrastructure and power systems worldwide.

SEL Software

The Blueframe application platform is an embedded container-based operational technology (OT) system for operating SEL Blueframe-enabled applications.

SEL Metering

SEL metering solutions offer leading power quality capabilities with exceptional revenue metering accuracy at an economical price.

SEL University

SEL University trains power system engineers, technicians, and managers to meet your immediate and long-term workforce training needs.

SEL Power Management and Microgrid Control System

Microgrids provide energy assurance using reliable, resilient, and secure solutions for maintaining uninterrupted energy delivery in renewable and non-renewable energy resources to support local demand.

- Ten-year Warranty
- Exceptional Customer Service

- Industry Leading Highest MTBF
- Local Technical Support

For over three decades K D Johnson has represented Schweitzer Engineering Laboratories. Working together we have provided our customers with safe and reliable products, applications and solutions you can rely on to keep critical systems fully operational.
